MEMORANDUM FOR: Deputy Director of Central Intelligence

SUBJECT : Supplement to the Inspector General's  
1965 Report of Survey of NPIC

The Inspector General's Survey of the National Photographic Interpretation Center (NPIC) identified certain matters that need to be ventilated, but which are inappropriate for discussion in the body of the report. I am therefore submitting as an attachment to this memorandum an EYES ONLY supplement to the basic report.

J. S. Earman  
Inspector General
